Letter of Recommendation

Date: April 17, 2023

For: Angela Mooney

From: Dr. Beverly A. Browning, Director – Grant Writing Training Foundation

Achievements and Knowledge Gained:

- ✔ Successful completion of 33 grant industry competencies for grant professionals.
- ✔ Exemplary due diligence, industry knowledge, and expertise demonstrated in an 80-hour applied practicum that included:
 - grant research,
 - funder relationship-building strategies and initial contact protocol for grant-seeking organizations,
 - pre-award grant planning using the theory of change model,
 - grant writing,
 - grant proposal editing,
 - post-award grant management reporting,
 - grant industry practices, standards, and ethics, and
 - demonstrated tenacity and a high level of proficiency in submitting research and writing assignments for a capstone project that included researching grant funding, writing a complete grant proposal, and preparing a project budget.

Recommendations: *I wholeheartedly recommend Angela Mooney for any position that requires a high-performing grant professional.*
